Anything goes in this fast-paced, high-energy lab where teens will learn to “think on their feet” through spontaneous creation of short scenes and movement sketches. Teens will create on-the-spot dialogue, setting, plot, movement, and characters through games and activities driven by suggestion. Improv Lab will culminate with a final class presentation of “Saturday Morning Live”. Comfortable clothing for movement encouraged. Open to girls and boys ages 12-15, all levels of experience.

**PROGRAM COST: \$210.00 (FOR 21 Hours)**

Haley Murphy and Heide Zufall have been directing, choreographing and teaching theatre for over twenty years, working with all ages from preschool to adult. In addition to their work for local theatres and area elementary schools, they most recently worked together on RCP’s *Seussical*.
